

TERRACES LOVES THAT CHICKEN

It's official. As we previously reported, AFC Enterprises, which operates **Popeyes** Louisiana Chicken, has inked a **55k SF lease** with Barry Real Estate to **relocate its HQ** from Glenridge Highlands One to The Terraces North at 400 Perimeter Center Terrace. The company is expected to move this fall. The names behind the deals at Joel & Granot—**Danny Granot** and **Alan Joel** (above)—repped Popeyes. (Barry's **Andy Sumlin** repped the landlord. Another instant commission.)
